To whom it may concern

Robertson NS is a small 6 teacher school with 80 pupils serving the local community of Stranorlar & Ballybofey. Although our ethos is Church of Ireland we provide schooling to pupils of all faiths and none! We are proud of our welcome provided to 28 Syrian refugee pupils in 2018 and 16 Ukrainian refugees in 2023. We feel we have responded openly to the demand in our community for a multi faith school! We are located on the edge of Stranorlar town within walking distance of Main Street Stranorlar. We recently attended the turning of the sod for the new community park @ Drumboe Woods on Friday 18th September.

Another asset to the area would be the proposed Greenway. Like the community park, this Greenway would be a valuable long-term asset for Ballybofey, Stranorlar and the wider region. There are multiple benefits for our community which we wish to highlight including; safe walking, safe cycling, active lifestyles, recreation and health & wellbeing! As a school, the Greenway would encourage active travel, safe cycling, walking opportunities, outdoor activity and of course environmental awareness which links with our curriculum!

The Ballybofey Stranorlar Greenway would provide multiple benefits for residents, businesses and visitors. We are delighted to support the progression and development of the Greenway. We are pleased to support the progression and development of the Greenway
