Re: Planning Application for a 110kV substation and a 110kV grid connection route to facilitate Lissinagroagh Wind Farm, located in various townlands across counties Leitrim and Sligo. (<https://lissinagroaghgridplanning.ie/>).

Dear Sir / Madam,

An Coimisiún Pleanála has now received an application for approval under section 182A(1) of the Planning and Development Act 2000, as amended in respect of the proposed development.

It is noted that copies of the application have already been sent to you.

Please be advised that you are requested to make the application documentation available for public inspection / purchase at your offices in accordance with the terms of the public notices of the application. The pre-application consultation file must be associated with the application file documentation. It is the Commission's intention that all of the application documentation will remain available for public inspection during the currency of the application.

Written submissions / observations in relation to the proposed development should be made directly to An Coimisiún Pleanála in accordance with the details and deadline set out in the public notices.

Please be advised that An Coimisiún Pleanála will contact you via email with a direct link to our website, where you will be able to view all submissions received on the application.

I wish to also confirm that the submission of the planning authority on the application must be received by the Commission in accordance with the time limit as set out in the public notice i.e not later than the **16th of October, 2026**. A copy of this submission should also be placed on the public file when sent to the Commission. For the purpose of any necessary clarification please be advised that the planning authority submission on an application for approval under section 182A is not subject to any statutory requirement relating to the formal submission of a manager's report to the elected members of the Council prior to making a submission to the Commission (such a statutory requirement only applies to applications for planning permission under section 37E of the Planning and Development Act 2000, as amended) - it is of course open to you to consult the elected members if you so choose to do but the time limit for your submission to the Commission must still be met.

I have been asked by An Coimisiún Pleanála to advise you that it expects that the planning authority submission on this application will cover, where relevant, the following range of issues:
