Re: Section 175(4) and Section 177AE(4) of the Planning and Development Act 2000, as amended – Application Seeking the Approval of An Coimisiún Pleanála for the Development of a Waterfront Park and Marina Development at Hodson Bay, Townland of Barrymore, Co. Roscommon by Roscommon County Council.

Dear Sir/Madam,

On behalf of our client, Roscommon County Council, of Áras an Chontae, Roscommon, Co. Roscommon, F42 VR98, please find enclosed details of an application for the development of a Waterfront Park and Marina Development at Hodson Bay, Townland of Barrymore, Co. Roscommon.

This application constitutes an application for Local Authority Own Development Requiring an Environmental Impact Assessment under Section 175(4) of the Planning and Development Act 2000, as amended and Appropriate Assessment under Section 177AE(4) of the Planning and Development Act 2000, as amended, colloquially known as a Part X application. This is due to the necessity of providing a Natura Impact Statement (NIS) assessing potential effects on nearby designated sites as part of the application and providing an Environmental Impact Assessment (EIA) assessing the effect of the project on the environment. As a result, the application has been made directly to An Coimisiún Pleanála. You have received a copy of the application as a noted Prescribed Body under the Planning and Development Regulations of 2001 (as amended).

The Development Description, as set out in the public notices is as follows:

Pursuant to the requirements of Section 175(4) and Section 177AE (4) of the Planning and Development Act 2000 (as amended) and the Planning and Development Regulations 2001 (as amended), notice is hereby given that Roscommon County Council is seeking the approval of An Coimisiún Pleanála for the development of a waterfront park and marina development over an area measuring approximately 9.0 hectares (ha) at Hodson Bay, Townland of Barrymore, Co. Roscommon.

The proposed development consists of the following elements:

1. Water Sports Pavilion Development: This includes:

- Demolition of the existing water sports building and adjacent public toilet block
- Temporary relocation of the existing Water Sports Facility during the construction period of the Water Sports Pavilion

- *Construction of a new 'Water Sports Pavilion', which incorporates the following elements:*
 - *1 no. 1-storey café*
 - *1 no. 1-storey Water Sports Pavilion building consisting of a briefing/mixed use space, staff canteen, office, storage spaces, changing facilities, showers and toilets*
 - *1 no permanent Plaza Canopy Structure*
 - *10 no. seasonally dismountable marquee structures providing for changing facilities during the peak tourism season, and multifunctional uses as required during shoulder season*
 - *1 no. 1-storey maintenance building*
 - *External showers and bin stores*
 - *An enclosed plaza space which can be closed off by 3 no. gates or left open to the public.*
- 2. Marina Redevelopment and Extension:** *This includes the redevelopment of the existing Waterways Ireland operated marina at Hodson Bay comprising an extension to the existing breakwater and the creation of a jetty extension for boats to berth. The redevelopment and extension consist of:*
- *Expansion of the existing marina providing for a new floating breakwater secured by guided piles and connected to the existing breakwater structure by a gangway*
 - *Upgrades to the marina utilities to include provision of electricity hook-up, potable water and foul water pump-out for marina users*
 - *Provision of improved access for non-motorised recreational water activities such as canoeing, kayaking and paddle boarding*
 - *Provision of c. 29 no. additional berths, resulting in a total capacity of hosting c. 59 berths for cruisers and visiting watercraft*
 - *Provision of a 1-storey marina pavilion with toilets and showers.*
- 3. Public Realm Upgrades:** *This includes:*
- *Construction of a playground, nature observation space, picnic areas, benches, bicycle storage & service areas, sauna pods, wellness meadow, swimming canopy and events spaces*
 - *Development of a continuous promenade pathway along the lakeshore along with secondary connection path*
 - *Provision of extensive natural landscaping to ensure the proposed development integrates with the natural environment, including planting of native trees and shrubs throughout the site*
 - *Provision of a flexible public space to accommodate programmed activities and events while serving a functional amenity for waterfront activities*
 - *Provision of a waterfront promenade pathway to facilitate public access to the waterfront at key public areas with viewpoints incorporating rest area, secondary pathway and suitable public lighting designed to minimise disturbance to wildlife.*
- 4. Active Travel and Site Access Improvements:** *The proposed development includes:*
- *Alterations and upgrades to the L2020 Local Road to provide for a 3m wide shared cycle / pedestrian pathway along the length of the L2020 from the N61 National Road junction to the Hodson Bay Marina. Works will include:*
 - i. *Reduction of the existing road carriageway width at locations along a section of the L2020 to facilitate the provision of a shared cycle / pedestrian pathway*
 - ii. *Widening & repurposing of the existing footpath along a section of the western side of the L2020 to form the shared cycle / pedestrian pathway*

- iii. *Widening & repurposing of the existing footway along a section of the eastern side of the L2020 to form the shared cycle / pedestrian pathway*
- iv. *Upgrade of existing public lighting scheme along the L2020*
- v. *Provision of new road & pedestrian signage to include regulatory, warning, directional, wayfinding & information signage*
- vi. *Provision of new road marking*
- vii. *Provision of 2 no. bus set down locations adjacent to the Water Sports Pavilion.*
- *Implementation of traffic calming measures along the L2020 Local Road accessing the site including vertical deflection ramps & raised crossings at key pedestrian crossing locations*
- *Creation of a pedestrian priority environment resulting in the re-location of 57 no. car parking spaces from the lakefront areas to improve landscape and visual context of the site*
- *Alterations to existing car parking & provision of new carparking at Hodson Bay to include the following:*
 - i. *Provision of 151 no. additional car parking spaces to increase the number of parking spaces to 504 no. spaces.*
 - ii. *The provision of 30 no. EV (Electric Vehicle) spaces, 28 no. accessible parking spaces, 3 no. bus parking bays, and 3 no. boat trailer parking bays.*
 - iii. *Provision of safe pedestrian connection to & from carpark areas.*
 - iv. *Upgrade of existing & provision of new public lighting to carpark areas.*
 - v. *Provision of signage & road marking to carparks.*

5. Ancillary works: *The proposed development includes all associated and ancillary development and works including:*

- *Site clearance, boundary treatments, associated public lighting, bin storage, hard and soft landscaping, site drainage upgrades including SuDS measures, connections to existing utilities to include foul and surface water drainage, water supply, electrical & telecommunications networks.*
- *Boundary treatments involve upgrades to the existing golf course boundary safety netting (between 3m to 20m in height) and fencing in sections where the boundary is altered to accommodate the proposed development and maintain public safety.*

An Environmental Impact Assessment Report (EIAR) and Natura Impact Statement (NIS) have been prepared in respect of the proposed development. The application documentation, including the EIAR and NIS, (which more comprehensively describe the nature and location of the proposed development), may be inspected free of charge, or purchased on payment of a specified fee (which fee shall not exceed the reasonable cost of making such copy), during public opening hours from 2nd September to 16th of October 2026 at the following locations and times:
