RE: Consent to the making of a Section 177AE Planning Application to An Coimisiún Pleanála for the Killycronaghan Closed Landfill Remediation project.

To whom it may concern,

I understand that Monaghan County Council will be making a Section 177AE Planning Application to An Coimisiún Pleanála for the Killycronaghan Closed Landfill Remediation project. I understand that this planning application will be made with respect to lands under my ownership (namely, lands contained within Folio MN2865).

I wish to confirm my consent to the making of such an application and I further confirm that this letter can be submitted as evidence of such consent as required under the Planning and Development Regulations.

Sincerest Regards,

Raymond Leonard
