Re: Monaghan County Council Application to An Coimisiún Pleanála under Section 177AE for Approval for the Killycronaghan Closed Landfill Remediation Project at Killycronaghan, Newbliss, County Monaghan

Dear Sir / Madam,

Monaghan County Council, with an address at The Glen, Monaghan, Co. Monaghan, H18 YT50, wish to apply for approval under Section 177AE of the Planning and Development Act 2000, as amended, for the completion of Closed Landfill Remediation Works at a Closed Landfill site in Killycronaghan, Newbliss, County Monaghan. The application has been prepared by consultants Fehily Timoney and Company on behalf of Monaghan County Council.

The application site (site), as defined by the red line boundary in the accompanying drawings, is 6.29 hectares (ha) in size. The proposed capping area within the site is 2.99 ha in size.

The remediation works will include:

- The development of a site access.
- The development of a temporary site compound and office area.
- Site clearance, including the removal of an existing gate, existing timber post and wire fencing and clearance of existing vegetation.
- Grading/profiling of the existing site area.
- Installation of an engineered landfill capping system covering an area of 2.99 ha.
- Installation of surface and subsurface surface water drainage infrastructures.
- Installation of passive landfill gas management infrastructure.
- The installation of stock proof fencing, and a new access gate on-site.
- Landscaping of the final formation of the capping area using a high value native grass cover.

Monaghan County Council previously lodged a Section S177AE application to ACP (Reference: 318407) to undertake landfill remediation works at the proposed development site in 2023. A Grant of Permission was received for these landfill remediation works. These proposed works have been adjusted under this planning application to account for an extension of working areas. Previous correspondence addressed to ACP (then An Bord Pleanála) dated 2023 has been enclosed, which also contextualises the scale of the Site Location Map included in the Planning Drawings.

The proposed development will ensure compliance with conditions of a Closed Landfill Certificate of Authorisation pertaining to the site granted by the Environmental Protection Agency (CoA Ref: H0366-01).

Re: **Monaghan County Council Application to An Bord Pleanála under Section 177AE for Approval for the Killycronaghan Closed Landfill Remediation Project at Killycronaghan, Newbliss, County Monaghan**

Dear Sir/Madam,

Monaghan County Council, with an address at The Glen, Glen Road, Killygowan, Co. Monaghan, H18 YT50, wish to apply for approval under Section 177AE of the Planning and Development Act, as amended, for the completion of Closed Landfill Remediation Works at a Closed Landfill site in Killycronaghan, Newbliss, County Monaghan. The application has been prepared by consultants Fehily Timoney and Company on behalf of Monaghan County Council.

The application site (site), as defined by the red line boundary in the accompanying drawings, is 3.75 hectares (ha) in size. The proposed capping area within the site is 2.6 ha in size.

The remediation works will include:

- The development of a site access.
- The development of a temporary site compound and office area.
- Site clearance, including the removal of an existing gate, existing timber post and wire fencing and clearance of existing vegetation.
- Grading/profiling of the existing site area.
- Installation of an engineered landfill capping system covering an area of 2.6 hectares.
- Installation of surface and subsurface surface water drainage infrastructures.
- Installation of passive landfill gas management infrastructure.
- The installation of stock proof fencing, and a new access gate on-site.
- Landscaping of the final formation of the capping area using a proprietary grass cover mix suited for pasture.

Fáltfonn an tUdarás Áitiúil roimh chomhfhreagras i nGaeilge.

Comhairle Contae Mhuineacháin, Oifigí an Chontae, An Gleann, Muineachán, Éire.

Monaghan County Council, Council Offices, The Glen, Monaghan, Ireland.

(C) 00353 47 30500 (F) 00353 47 82739 (G) www.monaghan.ie

(E) eolas@monaghancoco.ie (I) info@monaghancoco.ie

The proposed development will ensure compliance with conditions of a Closed Landfill Certificate of Authorization pertaining to the site granted by the Environmental Protection Agency (CoA Ref: H0366-01).

A Natura Impact Statement (NIS) has been prepared in respect of the proposed development.

Please find enclosed the following documentation in accordance with Article 249 of the Planning and Development Regulations, as amended:

- a) 3 hard copies of the Plans and Particulars of the Proposed Development.
- b) 3 hard copies of the NIS for the Proposed Development.
- c) A soft copy of the Plans and Particular and NIS for the Proposed Development.
- d) A copy of the Newspaper Notices relating to the proposed development published in the Northern Standard newspaper on Thursday 7th September 2023 in accordance with Section 177AE(4)(a) of the Planning and Development Act, as amended.
- e) A copy of the list of Prescribed Bodies to which notice was sent under Section 177AE(4)(b) of the Planning and Development Act, as amended, and a copy of each notice sent (Appended to this Cover Letter).

The following Plans and Particulars have been included in this Planning Application:

- Cover Letter for S177AE Application to An Bord Pleanála;
- Natura Impact Statement for the Proposed Development;
- Planning and Environmental Report for the Proposed Development;
- EIA Screening Assessment Report for the Proposed Development;
- A Construction Environmental Management Plan for the Proposed Development;
- A copy of the Newspaper Notices relating to the proposed development published in the Northern Standard newspaper on Thursday 7th September 2023, in accordance with Section 177AE(4)(a) of the Planning and Development Act, as amended;
- A copy of the list of Prescribed Bodies to which notice was sent on 7th September 2023 under Section 177AE(4)(b) of the Planning and Development Act, as amended, and a copy of each notice sent;
- A suite of planning drawings describing the Proposed Development.¹

The following Prescribed Bodies have been notified of the Proposed Development under Section 177AE(4)(b) of the Planning and Development Act, as amended.

- Heritage Council;
- An Taisce;
- An Chomhairle Ealaíon;
- Bord Fáilte Éireann;
- Inland Fisheries Ireland (Ballyshannon Regional Office);
- Waterways Ireland;

¹ Please note that the Site Location Map forming part of the suite of Planning Drawings has been set at a scale of 1:2,000 for the purpose of depicting the site and the surrounding context suitably, as discussed with Board staff prior to submission of the application.

- Environmental Protection Agency;
- Irish Water;
- Minister for Tourism, Culture, Arts, Gaeltacht, Sport and Media;
- Minister for the Environment, Climate and Communications;
- Minister for Housing, Local Government and Heritage.

Yours sincerely,

for and on behalf of **Fehily Timoney and Company**

Encl.

Monaghan County Council

Notice of Application to An Coimisiún Pleanála for Approval

Killycronaghan Closed Landfill Remediation Project at Killycronaghan, Newbliss, County Monaghan

Pursuant to Section 177AE of the Planning and Development Act 2000 (as amended) and the requirements of the Planning and Development Regulations 2001 (as amended), notice is hereby given that Monaghan County Council (MCC) proposes to seek the approval of An Coimisiún Pleanála (ACP) for the completion of Closed Landfill Remediation Works at a Closed Landfill site in Killycronaghan, Newbliss, County Monaghan.

The application site, as defined by the red line boundary in the accompanying drawings, is 6.29 hectares (ha) in size. The proposed capping area within the site is 2.99 ha in size.

The proposed development will consist of the following:

- The development of a site access.
- The development of a temporary site compound and office area.
- Site clearance, including the removal of an existing gate, existing timber post and wire fencing and clearance of existing vegetation.
- Grading/profiling of the existing site area.
- Installation of an engineered landfill capping system covering an area of 2.99 ha.
- Installation of surface and subsurface surface water drainage infrastructures.
- Installation of passive landfill gas management infrastructure.
- The installation of stock proof fencing, and a new access gate on-site.
- Landscaping of the final formation of the capping area using a high value native grass cover.

The proposed development will ensure compliance with conditions of a Closed Landfill Certificate of Authorisation pertaining to the site granted by the Environmental Protection Agency (CoA Ref: H0366-01).

A Natura Impact Statement (NIS) has been prepared in respect of the proposed development. A copy of the application documents and the NIS adjoins this correspondence.

An Environmental Impact Assessment (EIA) Screening Report for the proposed development has been carried out and has determined that there is no real likelihood of significant effects on the environment arising from the proposed development and has determined that an EIAR is not required.

Submissions or observations regarding the proposed development may be made in writing to An Coimisiún Pleanála (with an address of 64 Marlborough St, Rotunda, Dublin 1, D01 V902) during the period from Tuesday the 29th of September 2026 to Tuesday the 17th of November 2026 (inclusive of both dates) in relation to:

- i. the likely effects on the environment of the proposed development;
- ii. the implications of the proposed development for proper planning and sustainable development in the area in which it is proposed to situate the proposed development; and
- iii. the likely significant effects of the proposed development on a European Site, if carried out.

Submissions or observations are to be received no later than 5.30pm on Tuesday the 17th of November 2026.

- Landscaping of the final formation of the capping area using a high value native grass cover.

The proposed development will ensure compliance with conditions of a Closed Landfill Certificate of Authorisation pertaining to the site granted by the Environmental Protection Agency (CoA Ref: H0366-01).

A Natura Impact Statement (NIS) has been prepared in respect of the proposed development. A copy of the application documents and the NIS adjoins this correspondence.

An Environmental Impact Assessment (EIA) Screening Report for the proposed development has been carried out and has determined that there is no real likelihood of significant effects on the environment arising from the proposed development and has determined that an EIAR is not required.

Submissions or observations regarding the proposed development may be made in writing to An Coimisiún Pleanála (with an address of 64 Marlborough St, Rotunda, Dublin 1, D01 V902) during the period from Tuesday the 29th of September 2026 to Tuesday the 17th of November 2026 (inclusive of both dates) in relation to:

- i. the likely effects on the environment of the proposed development;
- ii. the implications of the proposed development for proper planning and sustainable development in the area in which it is proposed to situate the proposed development; and
- iii. the likely significant effects of the proposed development on a European Site, if carried out.

Submissions or observations are to be received no later than 5.30pm on Tuesday the 17th of November 2026.

Re: Monaghan County Council Notice of Application to An Coimisiún Pleanála for Approval Killycronaghan Closed Landfill Remediation Project at Killycronaghan, Newbliss, County Monaghan

Dear Sir / Madam,

On behalf of Monaghan County Council we wish to advise you that Monaghan County Council intends to make an application for approval to An Coimisiún Pleanála under Section 177AE of the Planning and Development Act 2000 as amended for the completion of Closed Landfill Remediation Works at a Closed Landfill site in Killycronaghan, Newbliss, County Monaghan.

Please find enclosed with this correspondence the following:

- The Section 177AE Notice to Prescribed Bodies (appended to this document)
- A digital copy of the application documents including the Natura Impact Statement prepared with respect to the Proposed Development (enclosed)

If you should require any further information please do not hesitate to contact the undersigned.

Yours sincerely,

Sanghamitra Nidhi Dutta

for and on behalf of Fehily Timoney and Company

Monaghan County Council

Notice of Application to An Coimisiún Pleanála for Approval

Killycronaghan Closed Landfill Remediation Project at Killycronaghan, Newbliss, County Monaghan

Pursuant to Section 177AE of the Planning and Development Act 2000 (as amended) and the requirements of the Planning and Development Regulations 2001 (as amended), notice is hereby given that Monaghan County Council (MCC) proposes to seek the approval of An Coimisiún Pleanála (ACP) for the completion of Closed Landfill Remediation Works at a Closed Landfill site in Killycronaghan, Newbliss, County Monaghan.

The application site, as defined by the red line boundary in the accompanying drawings, is 6.29 hectares (ha) in size. The proposed capping area within the site is 2.99 ha in size.

The proposed development will consist of the following:

- The development of a site access.
- The development of a temporary site compound and office area.
- Site clearance, including the removal of an existing gate, existing timber post and wire fencing and clearance of existing vegetation.
- Grading/profiling of the existing site area.
- Installation of an engineered landfill capping system covering an area of 2.99 ha.
- Installation of surface and subsurface surface water drainage infrastructures.
- Installation of passive landfill gas management infrastructure.
- The installation of stock proof fencing, and a new access gate on-site.
- Landscaping of the final formation of the capping area using a high value native grass cover.

The proposed development will ensure compliance with conditions of a Closed Landfill Certificate of Authorisation pertaining to the site granted by the Environmental Protection Agency (CoA Ref: H0366-01).

A Natura Impact Statement (NIS) has been prepared in respect of the proposed development. A copy of the application documents and the NIS adjoins this correspondence.

An Environmental Impact Assessment (EIA) Screening Report for the proposed development has been carried out and has determined that there is no real likelihood of significant effects on the environment arising from the proposed development and has determined that an EIAR is not required.

Submissions or observations regarding the proposed development may be made in writing to An Coimisiún Pleanála (with an address of 64 Marlborough St, Rotunda, Dublin 1, D01 V902) during the period from Tuesday the 29th of September 2026 to Tuesday the 17th of November 2026 (inclusive of both dates) in relation to:

- i. the likely effects on the environment of the proposed development;
- ii. the implications of the proposed development for proper planning and sustainable development in the area in which it is proposed to situate the proposed development; and
- iii. the likely significant effects of the proposed development on a European Site, if carried out.

Submissions or observations are to be received no later than 5.30pm on Tuesday the 17th of November 2026.
