Thanks for clarifying that Paul,

Please send a hard copy of the correct drawing and confirm that I can replace the hard & soft copy drawing already received with this one.

Your response below regarding the statutory notices is noted.

Kind regards,
Muirín

Hi Muirin,

My apologies, there was an issue with the numbering from our consultant where the drawing file number was revved by error. Please see attached. The drawing is the same other than a dashed line removed as part of the road safety audit process.

Will I print them and put them in the post?

My apologies again with not including the emails. I can confirm they were not included, only the notices and certificate confirming sending was enclosed.

Thanks
Paul

Hi Paul,

We have received the application pack.

Will you advise please if this is a typo in this file name: "25024-BS-DR-0100_issue[PL2]".
The hard copy and actual drawing are Rev.: PL1 but the soft copy file is named PL2.

Please also note that although the certificate confirming issue of notice to prescribed bodies states that "a copy of the relevant email and attached notice is provided", only the notices were provided.
Please confirm that the emails were not enclosed – we don't require proof of service to prescribed bodies.

Kind regards,
Muirín

Hi Muirin,

Thanks for that.

Sorry, I sent two copies in case. There is no need to send back the second copy if not needed.

Thanks
Paul

In the box being delivered is two hard copies and two soft copies of the application.

My apologies, I missed the attached cover letter off the soft copies. I am attaching it here, hopefully this will be ok?

Thanks
