Dear Niall & team,

Could you please advise regarding the following queries:

1. Route Options Report – soft copy document title is 1700239-rep-001 **Draft** Route Option Report Royal Final and I note that Appendix H has a Draft watermark – please advise if this is the final report?
2. Drawing Construction Compounds Sheet 3 is titled 170239-X-90-X-XXX-SK-DBFL-CE-0003 - Construction Compounds - Sheet 3 on the hard copy and in your document register – however, the soft copy file title is “170239-X-04-X-XXX-DR-DBFL-CE-0292-Construction Compounds - Sheet 3” – please advise / confirm the correct drawing reference number?

In order to assist An Coimisiún Pleanála in maintaining a record of your application in spatial data format, please submit the “red line” site boundary, as shown in Drawing Title: 170239-X-04-X-XXX-DR-DBFL-CE-0280-Site Location Plan_Bing Mapping, as an ESRI Shapefile referenced to the ITM (IRENET 95) co-ordinate reference system in metres. If a shapefile is not available, please submit a CAD file in .dwg format. All other geometry and annotation should be removed.

Guidelines on submitting ESRI Shapefiles or CAD drawings to An Coimisiún Pleanála are available from the An Coimisiún Pleanála Website at
Strategic Infrastructure Development | An Coimisiún Pleanála

Kind regards,
Muirín
