Planning Notices

Planning Notices

Planning Notices

Planning and Development Act 2000 (as amended)

Notice of Direct Planning Application to An Coimisiún Pleanála in respect of a Strategic Infrastructure Development - County Waterford

In accordance with section 37E of the Planning and Development Act 2000 (as amended), Slievegrine Ltd. gives notice of its intention to make an application to An Coimisiún Pleanála for permission for a proposed development located at the townlands of Ballycullane, Ballyguiry, Carronadaverg, Carronahyla, Carronbeg, Clashbrack, Cloughraun, Drumsig, Garrynagroe, Glen Beg, Glen More, Graigue, Knockatoor, Knocknahoola, Lackamore, Lackensillagh, Ligriffin, Lyre, Monacullee, Monagrela, Mountshuart, Moyng, Pulla, Reamanagh East, Reamanagh West, Reanaviddoge, Toor South and Toor North, Co. Waterford.

This development is covered by the provisions of the Renewable Energy Directive III (Directive 2023/2413) and the planning application is subject to a completeness check under section 37A of the Planning and Development Act 2000, as amended by the European Union (Planning and Development) (Renewable Energy) Regulations 2025.

The proposed development will consist of the provision of the following:

- 23 no. wind turbines of varying dimensions, a meteorological mast and a telecommunications relay mast as follows:
 - 6 no. wind turbines with an overall turbine tip height of 185 metres, a rotor blade diameter of 162 metres, and turbine hub height of 104 metres;
 - 15 no. wind turbines with an overall turbine tip height of 175 metres, a rotor blade diameter of 150 metres, and turbine hub height of 100 metres;
 - 2 no. wind turbines with an overall turbine tip height of 170 metres, a rotor blade diameter of 150 metres, and turbine hub height of 95 metres;
 - A meteorological mast with a height of 80 metres and a telecommunications relay mast with a height of 30m;
- Associated wind turbines, meteorological mast and telecommunications relay mast foundations and hardstanding areas;
- A 220kV loop-in substation compound (Including control buildings (with a combined floor area of 644Sq.m) with welfare facilities, all associated electrical plant and apparatus, security fencing, underground cabling, lightning protection poles and underground wastewater holding tank), with 220kV underground cabling connecting to 2 no. lattice-type end masts with a height of 21.5 metres to facilitate a 'Loop-in' connection to the existing 220kV Knockraha-Cullenagh overhead electricity transmission line, establishment of screening planting, all within the townland of Ballycullane;
- A 110kV substation compound (Including control buildings (with a combined floor area of 644Sq.m) with welfare facilities, all associated electrical plant and apparatus, security fencing, underground cabling, lightning protection poles and underground wastewater holding tank) in the townland of Clashbrack;
- 110kV underground cabling connection from the proposed 110kV substation in the townland of Clashbrack to the proposed 220kV loop-in substation in the townland of Ballycullane, primarily located within the public road corridor (including joint bays, communication chambers, earth sheath links, and ancillary works along the cabling route);
- The re-routing underground of a section of the existing Dunganar-Foxhole 38kV overhead line with 2 no. lattice-type end masts (15m height) and 38kV underground cabling (including joint bay) in the townlands of Cloughraun and Carronbeg;
- Underground electrical (33kV) and communications cabling connecting the wind turbines and meteorological mast to the proposed 110kV substation;
- 6 no. construction compounds (including temporary site offices and welfare facilities (with a combined floor area of 607.5 Sq.m));
- 4 no. security compounds (including temporary security cabins with a combined floor area of 72 Sq.m);
- Junction accommodation works to facilitate access to the site, including the provision of new and upgrade of existing entrances and junctions off the L2024, L2021, L2023, 199997 and L6082 local roads, including new permanent gated site entrances;
- Upgrade of existing site tracks/roads and provision of new site access roads, junctions and hardstand areas (including upgrade of a short section of the 199997 local road);
- 5 no. borrow pits;
- Spoil Management;
- Biodiversity Management and Enhancement Plan measures (including establishment of a riparian planting, broadleaf woodland planting and hedgerow planting/enhancement);
- Tree felling and vegetation removal;
- Site Drainage;
- Operational stage site signage; and
- All ancillary site development works and apparatus.

The applicant is seeking a ten-year permission and an operational period of thirty-five-years for the wind turbines, meteorological mast, telecommunications relay mast and site signage from the date of full commissioning of the wind turbines. Permanent planning permission is being sought for all other works.

An Environmental Impact Assessment Report (EIAR) and Natura Impact Statement (NIS) have been prepared in respect of the proposed development and accompany this planning application. The EIAR and NIS include assessment of temporary accommodation works to facilitate the delivery of turbine components from Belyew Port (Port of Waterford), Co. Waterford to the site entrances via the National Road network (N29, N25) and the Local Road network (L2024).

The planning application, EIAR and NIS may be inspected free of charge or purchased on payment of a specified fee (which shall not exceed the reasonable cost of making such a copy) during public opening hours for a period of seven weeks commencing on Friday the 16th October at the following locations:

- The Offices of An Coimisiún Pleanála, 64 Marlborough Street, Dublin 1 D01 V902 (9:15 am – 5:30 pm, Monday – Friday);
- The Offices of Waterford City & County Council, Menapia Building, The Mall, Waterford, X91 PK15. (9:30 am – 1.00pm & 2:00 pm – 4:00 pm, Monday - Friday).

The application may also be viewed/downloaded on the following website: www.slievegrineplanning.com

Submissions or Observations may be made only to An Coimisiún Pleanála ("the Commission") 64 Marlborough Street, Dublin 1 in writing or online at www.pleanala.ie during the above-mentioned period of seven weeks relating to:

- The implications of the proposed development for proper planning and sustainable development on the area concerned, and
- The likely effects on the environment of the proposed development, if carried out and
- The likely effects of the proposed development on a European site, if carried out.

Any submissions/observations must be accompanied by a fee of €50 (except for certain prescribed bodies) and must be received by the Commission not later than 5.30 p.m. on Thursday the 3rd December. Such submissions/observations must also include the following information:

- The name of the person making the submission or observation, the name of the person acting on his or her behalf, if any, and the address to which any correspondence relating to the application should be sent,
- The subject matter of the submission or observation, and
- The reasons, considerations and arguments on which the submission or observation is based in full (Article 217 of the Planning and Development Regulations 2001, as amended, refers)

Any submissions or observations which do not comply with the above requirements cannot be considered by the Commission. The Commission may at its absolute discretion hold an oral hearing on the application (refer to 'A Guide to Public Participation in Strategic Infrastructure Development' at www.pleanala.ie).

The Commission may in respect of an application for permission/approval decide to:

- (i) grant the permission, or
- (ii) make such modifications to the proposed development as it specifies in its decision and grant permission in respect of the proposed development as so modified, or
- (iii) grant permission in respect of part of the proposed development (with or without specified modifications of the foregoing kind), and any of the above decisions may be subject to or without conditions, or
- (b) Refuse to grant the permission

Any enquiries relating to the application process should be directed to the Strategic Infrastructure Development Section of An Coimisiún Pleanála (Tel. 01-8588100).

A person may question the validity of any such decision of the Commission by way of an application for judicial review, under order 84 of the Rules of the Superior Courts (S.I. No. 15 of 1986, as amended by S.I. No. 691 of 2011), in accordance with Section 50 of the Planning and Development Act 2000, as amended.

Practical Information on the review mechanism can be accessed on the Commission's website (www.pleanala.ie) under the following heading: Legal Notices - Judicial Review Notice. This information is also available on the Citizens Information Service website www.citizensinformation.ie.

Public Notices

Public Notices

Public Notice Temporary Road Closure First Advert - N28 from Bloomfield to Carr's Hill Bridge and a section of Maryborough Hill L2470 (Bridge) October

Pursuant to the provision of Section 75 of the Roads Act, 1993, notice is hereby given that The N28 Road, will be closed 24Hrs a day to public traffic from its Rochestown Road (R610) Off slip on slip to the N28 Carr's Hill Bridge - Northbound Slip Road to the R855 Carrigaline Road, from 2000hrs on Friday October 23rd, 2026, until 0500hrs on Tuesday 27th October 2026 to facilitate the demolition of the existing Maryborough Bridge as a part of the ongoing M28 works. These works will be undertaken by BAM.

A Local Diversion Route and alternative HGV Diversion route for the Closure of the Section of the N28 will be in place at this time.

The Local Diversion Route for the Closure of the Section of the N28 will direct traffic via the N28 On Slip Road with the Rochestown Road, Rochestown Road (R610) Westbound, Fingerpost Roundabout and the R855 Old Carrigaline Road (Southbound) and Vice-Versa.

The HGV Diversion route for the Closure of the Section of the N28, will direct HGV's via the N40 (Westbound), Kinsale Road Roundabout, N27 (Kinsale Road), R600 (Kinsale Road Southbound), Five Mile Bridge, R613 Ballygarvan Road (Eastbound), R613/ R611 Carrigaline Roundabout (Northbound) to the Shannonpark Roundabout and Vice-Versa.

Pursuant to the provision of Section 75 of the Roads Act, 1993, notice is hereby given that there will be a period of time where the Maryborough Hill Bridge will also be closed for an unspecified period of time from the Garryduff Road/Maryborough Hill Roundabout to the Fingerpost Roundabout between 2000hrs on Friday October 23rd 2026 until 0500hrs on Tuesday 27th October 2026 to facilitate certain operations during the demolition process that will require the nearby temporary bridge and approaches to the temporary bridge to be closed to traffic and pedestrians for safety operational reasons. The period of this temporary closure on Maryborough Hill will be kept as short as possible. These works will be undertaken by BAM. Local Access will be maintained on either side of the Maryborough Bridge Closure at all times and diversion route will also be in place as required.

The Diversion Route for the Maryborough Bridge Closure will be via Garryduff Road, Coach Hill, Rochestown Road (R610) (Westbound), Fingerpost Roundabout and Maryborough Hill and Vice-versa.

Persons wishing to object to this Temporary Road Closure should submit their objection in an envelope clearly marked "Temporary Road Closure – N28 from Bloomfield to Carr's Hill Bridge and a section of Maryborough Hill L2470 (Bridge) October" to the Director of Services, Operations Directorate, Cork City Council, City Hall, Cork not later than 1.00pm on Wednesday the 14th of October 2026
