NOTES: -

- This drawing is to be used only for the purpose of the planning application and is subject to detailed design.
- Position of underground cable and location of joint bays, links boxes and comms chambers may vary depending on site conditions.
- Position of link boxes and comms chambers is to be agreed onsite with EirGrid.
- Additional watercourses and other services may be encountered on the route.
- The property boundaries shown (while an accurate representation) are for information purposes only. Precise digital boundaries will be obtained from PRAI & mapped in advance of any formal Section 53 Wayleave or Deed A/Deed B being served on the landowner.
- Existing Utilities indicated on drawings are those that are crossed over / under by the proposed UG Grid Connection Cable or are those existing Utilities that run parallel to and in the vicinity of the proposed UG Grid Connection Cable.
