Irish stars out for Gaza

U.S. RAPPER Macklemore was joined by top Irish acts as he kicked off his Free Palestine tour in Dublin.

Singer Hozier, rap trio Kneecap and actor Liam Cunningham joined the star — who was ditched from Ed Sheeran's Loop tour over his stance on Gaza — as he opened the tour with a sold-out show at the 3Arena.

Pursuant to Section 587(4) you have the right to inspect a list of creditors of the company in advance of the meeting which will be available at the registered office of the company.

PLANNING

ROSCOMMON COUNTY COUNCIL

Renewable Energy Directive III (RED III) Development

We, Natural Forces Renewable Energy Limited, intend to apply for a 10-year planning permission for a development located in the townlands of Lissanisky, Kilcash, Moydow, Moneymore, Knockmeane and Skrine Co. Roscommon with a total site area of 12.33 hectares.
The development, an amendment to the previously consented development (Ref. 2360142 & ACP. PL20.319800) will consist of; •The construction of one Enercon E138 Wind Energy Converter on a 99.79m tower with an electrical rating of 4.5MW and an overall tip height of 168.9m; •An amendment to substation design, changing from a block-built to a modular design comprising of 2 single-story prefabricated modules surrounded by stock proof fencing; an ESB module measuring 14.33 m^2 and height of 3.41m and; an IPP module measuring 33.31 m^2 and 3.89m in height; •An amendment to the statutory redline boundary to incorporate the following; •20kV overhead line (OHL) and underground cable (UGC) between the permitted IPP substation and the point of connection to the national grid, comprising c.507m of OHL across private lands and c.985m of UGC within the L7135; and •All associated ancillary infrastructure and preparatory works such as the provision of the turbine delivery / haulage route, site access track and the provision of the new site entrance from the L7086. The operational lifespan of the development will be 35 years from the date of commercial operation. This planning application is subject to a Natura Impact Statement (NIS). This development is covered by the provision of the Renewable Energy Directive III (Directive (EU) 2023/2413) and it is important to note that the planning application may be subject to section 34D of the Planning and Development Act 2000, as amended. When a notice issues in accordance with section 34D(b), the provisions of article 26A of the Planning and Development Regulations 2001 to 2025 shall apply. The Planning application may be inspected or purchased at a fee not exceeding the reasonable cost of making a copy, at the offices of the planning authority during its public opening hours. A submission or observation in relation to the application may be made in writing to the planning authority on payment of the prescribed fee, €20, within the period of 5 weeks beginning on the date of receipt by the authority of the application, and such submissions or observations will be considered by the planning authority in making a decision on the application. The planning authority may grant permission subject to or without conditions, or may refuse to grant permission.

South Dublin County Council

We Edward & Paula Carroll intend to apply for planning permission at this site: 10 Butterfield Grove, Rathfarnham, Dublin 14. The development will consist of alterations to existing 2 storey dwelling including; (i) demolition of existing single storey extension to rear and construction of a new single storey extension with part flat and part pitched roof; (ii) alterations to window and door openings to rear and side of existing dwelling; (iii) internal alterations and all associated site development works.
This application may be inspected or purchased at a fee not exceeding the reasonable cost of making a copy, at the offices of South Dublin County Council during its public opening hours of 9am - 4pm, Mon-Fri, and a submission or observation may be made to South Dublin County Council in writing and on payment of the prescribed fee (€20.00) within the period of 5 weeks beginning on the date of receipt by South Dublin County Council of the application.

PLANNING

Planning and Development Act 2000 (As Amended)
Notice of Direct Planning Application to An Coimisiún Pleanála in respect of a Strategic Infrastructure Development - Co. Kilkenny

In accordance with Section 37E of the Planning and Development Act 2000 (as amended) Killoshulan Renewable Energy Limited gives notice of its intention to make an application to An Coimisiún Pleanála for permission for a renewable energy development in the townlands of Barna, Killoshulan, Spahill, Frankford or Ballykieran, Foyle South, Clomantagh (Mt. Garret), Urlingford, Mountfinn, Balief Lower, Balief Upper, Coolcashin, Garrydague, Ballygowney, Ballyring Upper, Lisdowney, Seskin Little, Seskin North, Seskin South and Ballyconra, Co. Kilkenny.
This development is covered by the provisions of the Renewable Energy Directive III (Directive 2023/2413) and the planning application is subject to a completeness check under section 37JA of the Planning and Development Act 2000, as amended by the European Union (Planning and Development) (Renewable Energy) Regulations 2025. The proposed development will consist of the provision of the following:
i. The construction of 10 no. wind turbines with an overall turbine tip height of 185 metres; a rotor blade diameter of 163 metres; and hub height of 103.5 metres, and a meteorological
mast of 103.5m in height and subsequent decommissioning of the wind turbines and meteorological mast, following a 35-year operational life from the date of full commissioning of the wind turbines;
ii. Turbine and meteorological mast foundations, hard-standing and assembly areas;
iii. A 110kV substation compound (2 no. control buildings with welfare facilities, all associated electrical plant and equipment, security fencing, access gates, all associated underground cabling, wastewater holding tanks, rainwater holding tanks, site drainage and all ancillary works);
iv. Underground internal wind farm electrical cabling and communications cabling connecting the wind turbines to the proposed on-site 110kV electrical substation and associated ancillary works;
v. All works associated with the upgrade of the existing agricultural access off the R693 Regional Road (including the installation of fencing and steel gates) to serve as the main site entrance for the wind farm;
vi. The provision of 1 no. new access/egress point along the R693 Regional Road;
vii. The provision of 1 no temporary access/egress point along the L1805;
viii. Upgrade of existing tracks/roads and junctions and provision of new site access roads and junctions;
ix. 2 no. temporary construction compounds with temporary offices and staff welfare facilities;
x. Accommodation works along the public road network in the townlands of Urlingford, Mountfinn, Balief Lower, Balief Upper, and Barna Co. Kilkenny to facilitate the delivery of turbine components and other abnormal loads;
xi. 1 no. Borrow Pit;
xii. Spoil Management;
xiii. Site Drainage;
xiv. Tree Felling and hedgerow removal;
xv. Biodiversity Management and Enhancement Measures;
xvi. Operational stage site signage;
xvii. Battery Energy Storage System (BESS) and all associated electrical plant and equipment, security fencing, 2 no. static water storage tanks and a firewater retention tank, and all
associated infrastructure and apparatus;
xviii.The provision of approximately 12km of underground electrical (110kV) and communications cabling from the proposed on-site 110kV electrical substation to the western boundary of the River Nore to facilitate a future connection to the national grid via the existing Ballyragget 110kV electrical substation;
xix. Provision of 17 no. joint bays, communication chambers and earth sheath links along the proposed underground electrical cabling route;
xx. Reinstatement of land, road and track surface above the proposed cabling trench; and
xxi. All related site works and ancillary development considered necessary to facilitate the proposed development, including landscaping and the reinstatement of land.
A 10-year planning permission and a 35-year operational life of the wind farm from the date of full commissioning is sought.
An Environmental Impact Assessment Report (EIAR) and Natura Impact Statement (NIS) have been prepared in respect of the construction, operation and decommissioning of the proposed development and accompany the planning application.
The EIAR and NIS assess both the full extent of the proposed development as described above in i - xxi and integral elements of the wider project infrastructure, consisting of the provision of approximately 700m of underground electrical (110kV) and communications cabling between the western boundary of the River Nore and the existing Ballyragget 110kV electrical substation in the townland of Moatpark, Co. Kilkenny to facilitate the connection to the national grid and which will be the subject of a separate, future planning application to the relevant consenting authority.
The planning application, EIAR and NIS may be inspected free of charge or purchased on payment of a specified fee (which shall not exceed the reasonable cost of making such a copy) during public opening hours for a period of eight weeks and five days commencing on the 6th of November 2026 at the following locations:
• The Offices of An Coimisiún Pleanála, 64 Marlborough Street, Dublin 1, D01 V902 (9:15am - 5:30pm, Monday - Friday)
• The Offices of the Planning Department, Kilkenny County Council, County Hall, John Street, Kilkenny (9am - 1.00pm and 2.00pm - 4.00pm, Monday - Friday)
The application may also be viewed/downloaded on the following website: https://www.killoshulanwindfarm.com/
Submissions or observations may be made only to An Coimisiún Pleanála ("the Commission") 64 Marlborough Street, Dublin 1 in writing or online at www.pleanala.ie during the above-mentioned period of eight weeks and five days relating to:
i. The implications of the proposed development for proper planning and sustainable development of the area concerned, and
ii. the likely effects on the environment of the proposed development, if carried out, and
iii. the likely effects of the proposed development on a European site, if carried out.
Any submissions/observations must be accompanied by a fee of €50 (except for certain prescribed bodies) and must be received by An Coimisiún Pleanála not later than the 5th of January 2027 andmust include the following information:
• the name of the person making the submission or observation, the name of the person acting on his or her behalf, if any, and the address to which any correspondence relating to the application should be sent,
• the subject matter of the submission or observation, and
• the reasons, considerations and arguments on which the submission or observation is based in full (Article 217 of the Planning and Development Regulations 2001, as amended, refers).
Any submissions or observations which do not comply with the above requirements cannot be considered by the Commission. The Commission may at its absolute discretion hold an oral hearing on the application (refer to 'A Guide to Public Participation in Strategic Infrastructure Development' at www.pleanala.ie).
The Commission may in respect of an application for permission decide to:
a) (i) grant the permission, or
(ii) make such modifications to the proposed development as it specifies in its decision and grant permission in respect of the proposed development as so modified, or
(iii) grant permission in respect of part of the proposed development (with or without specified modifications of the foregoing kind), and any of the above decisions may be subject to or without conditions, or
b) Refuse to grant the permission.
Any enquiries relating to the application process should be directed to the Strategic Infrastructure Development Section of An Coimisiún Pleanála (Tel. 01-8588100).
A person may question the validity of any such decision of the Commission by way of an application for judicial review, under Order 84 of the Rules of the Superior Courts (S.I. No. 15 of 1986, as amended by S.I. No 691 of 2011), in accordance with Section 50 of the Planning and Development Act, 2000, as amended.
Practical information on the review mechanism can be accessed on the Commission's website https://www.pleanala.ie/en-ie/home or on the Citizens Information Service website, www.citizensinformation.ie/en/

DUBLIN CITY COUNCIL

We, Francis Doherty and Ashling Seely, intend to apply for permission and retention permission for development at 67 Gracepark Terrace, Dublin 9, D09 H1K0. The development will consist of; the retention of a 16.5sqm first floor side extension including alterations to the front elevation and addition of one new window to the rear; the construction of a new hipped roof over the side extension and of a 42sqm two-storey rear extension; conversion of the 13sqm existing side garage; widening of the vehicular entrance and all associated site and landscaping works.
The planning application may be inspected, or purchased at a fee not exceeding the reasonable cost of making a copy, at the offices of Dublin City Council during its public opening hours and a submission or observation in relation to the application may be made to the authority in writing on payment of the prescribed fee within the period of 5 weeks beginning on the date of receipt by the authority of the application.

KILDARE COUNTY COUNCIL

We, Red Rock Logistics Naas Ltd, seek Planning Permission for development on lands at Unit 2 Globe Logistics Park, Monread Road, Naas, Co. Kildare, W91 CY8C. The proposed development will consist of a change of use from warehouse/logistics use to light industrial use. The warehouse/logistics use was permitted under Reg. Ref. 22/1478 (amended under Reg. Ref. 2360324) and is currently built but unoccupied. For clarity no other changes are being sought and the ancillary office element remains the same.
The planning application may be inspected or purchased at a fee not exceeding the reasonable cost of making a copy, at the offices of the Planning Authority during its public opening hours and a submission or observation in relation to the application may be made to the authority in writing on payment of the prescribed fee within the period of 5 weeks beginning on the date of receipt by the authority of the application.

WICKLOW COUNTY COUNCIL

Castlethorn Arklow Limited Intends to apply for Permission for a Large-Scale Residential Development at a site (c. 19.3 Ha) at lands at Tinahask Upper, Money Little and Money Big, Arklow, Co. Wicklow. The site is generally bounded by Knockanrahan Lower residential development and greenfield lands to the north, Arklow Golf Club to the east, greenfield lands to the south, and the Dublin-Rosslare railway line, Avalon and The Maples residential developments to the west. The proposed development for which permission is being sought consists of 352no. dwellings, in a mix of houses and apartments ranging in height from 1 to 4 storeys, 1no. creche (c. 711 sq m), and associated landscaping and site development works on lands (c. 12.7Ha) forming part of a larger development already permitted under WCC Reg. Ref. 24/325 on a c. 19.3Ha site. The residential development now proposed comprises: - 334no. houses (44no. 2-bed, 241no. 3-bed and 49no. 4-bed houses in buildings ranging from 2 to 3 storeys. 18no. apartments (6no. 1-bed and 12no. 2-bed units and the ground floor creche (c. 711 sq m) with associated outdoor play area (c. 294 sq m), in 1no. 1 to 4-storey building (Block A). Hard and soft landscaping treatment works being proposed include amendments to public open space involving 9no. local parks and linear park (totalling c. 25,842 sq m); provision of communal open space (totalling c. 129 sq m); all ancillary site development and landscape works including changes to permitted site levels, relocation of the permitted foul pumping station, 4no. ESB substations, bin stores, 623no. car parking, 52no. cycle parking , public lighting and all associated services, attenuation areas and boundary treatments. Ancillary site development works proposed in this case include adjustments to the permitted site levels, including road levels, drainage and water main levels and finished floor levels across remaining portions of the overall permitted lands (c. 6.5Ha), including the Revised Phase 2 lands to tie into the amended Revised Phase 1. The proposed development comprises of amendments to a development already permitted under WCC Reg. Ref. 24/325. The proposed amendments comprise an increase in the residential yield of the overall permitted development from 476no. to 499no. residential units (+ 23no. units) on an overall site of 19.3Ha; consolidation of the permitted three-phase development into a revised two-phase delivery strategy, including the delivery of the childcare facility as part of a revised Phase 1. The development otherwise permitted under WCC Reg. Ref. 24/325 remains unaltered. Vehicular site access will be as permitted under WCC Reg. Ref. 24/325 and be via the permitted access road and railway overbridge from Knockmore Roundabout, and will include the construction of part of the Port Access Road. The permitted development includes upgrade works to the existing railway overbridge and western approach including provision of a 2.5m footpath, 6m carriageway, safety barrier improvement works and associated ancillary works, with internal residential streets, pedestrian and cycle connections and the strategic road and active-travel infrastructure. The Planning Application may be inspected online at the following website set up by the applicant: www.TinahiskPhase1LRDAmendments.ie
The planning application may be inspected or purchased at a fee not exceeding the reasonable cost of making a copy, at the offices of the planning authority during its public opening hours. The planning application may be viewed online at www.wicklow.ie, under planning online enquiries. A submission or observation in relation to the application may be made in writing to the planning authority on payment of the prescribed fee, €20, within the period of 5 weeks beginning on the date of receipt by the authority of the application, and such submissions or observations will be considered by the planning authority in making a decision on the application. The planning authority may grant permission subject to or without conditions, or may refuse to grant permission.

Dublin City Council

I, Brian Woods, intend to apply for permission for development at this site at at 36 & 37 Avenue Road, Portobello, Dublin 8.

The proposed development amends a previously granted residential development under DCC Reg. Ref. 5265/22 and a subsequently granted amendment under DCC Reg. Ref. WEB1820/26.

The development will consist of : Minor modifications to the second floor and roof plan of Unit A by enclosing a small area of External Terrace (15 sqm) to create a Living Room and WC. The building's roofline, footprint and all other development details will remain unchanged and will consist of the demolition of existing commercial buildings on site; construction of a residential development of 3 no. terraced houses comprising 1 No. 2 bedroom, 2 storey dwelling and 2 no. 2-3 storey dwellings; private amenity space (gardens) to the rear at ground floor and private terraces to front and rear at 2nd floor level; all ancillary site development works and services.

The planning application may be inspected or purchased at a fee not exceeding the reasonable cost of making a copy, at the offices of Dublin City Council, Planning Department, Block 4, Ground Floor, Civic Offices, Wood Quay, Dublin 8 during its public opening hours (9.00a.m.- 4.30p.m.). A submission or observation in relation to the application may be made in writing to the planning authority on payment of the prescribed fee (€20.00) within the period of 5 weeks beginning on the date of receipt by the authority of the application, and such submissions or observations will be considered by the planning authority in making a decision on the application. The planning authority may grant permission subject to or without conditions, or may refuse to grant permission.
