Development Location: Dublin Airport, County Dublin

Development Description:

Request for EIAR Scoping Submission on Amendment of Passenger Cap at Dublin Airport.

A Chara,

We can confirm that DAA PLC has engaged with Uisce Éireann in relation to the proposal and that the impact on the public water and wastewater networks and treatment processes, from the proposed project, have been assessed – our reference CDS24007512.

Uisce Éireann can confirm that a Confirmation of Feasibility was issued to DAA PLC on the 12th March 2025 in respect of the proposals currently under the consideration of the Planning Authority. This Confirmation of Feasibility states that Connections from the proposed project to the public water and wastewater networks are Feasible without requiring infrastructure upgrades by Uisce Éireann.

Uisce Éireann are satisfied that the March 2025 assessment and Confirmation of Feasibility remains valid and applicable.

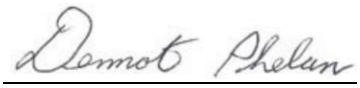

In its role as a Statutory Consultee, Uisce Éireann looks forward to assessing and having the opportunity to make an observation, where it deems necessary, on the content and particulars of the EIAR that will be submitted in support of the proposed project.
