Compensatory Measures Proposal and Related NIS**

Dear Sir,

Further to your correspondence of 29.09.2015 and 13.10.2017, we enclose our Compensatory Measures Report ("CMR") and a document entitled 'Addendum to Natura Impact Statement to include Consideration of the Compensatory Measures (4)' ("NIS") in respect of the proposed Galway Harbour Extension.

The ("CMR") has been assembled to address the losses arising from the Galway Harbour Extension ("GHE") and those that previously arose from the Galway Harbour Enterprise Park ("GHEP") in the 1990's.

The ("NIS") has been prepared to address the environmental impact of the compensatory measures proposed.
2 hard and 2 electronic copies (DVD) of each of the 2 documents are enclosed for your attention.

When you have considered the enclosed and the next stage of the process proposed, we will be glad to provide any further copies that you may require.

Yours faithfully,

John P. Kelly
