Re: Galway Harbour Extension, Renmore and Townlands, Galway

Dear Sir,

I have been asked by An Bord Pleanála to refer to the above mentioned application.

In order to assist the Board in keeping a record of your application in spatial data format, I would be grateful if you could provide the 'red line boundary' of the site, as shown on the Site Location Map, drawing number 2139-2113 submitted to the Board on 10th January 2014, as an ESRI shapefile in the Irish Transverse Mercator (ITM IRENET95) co-ordinate reference system, for use in Geographical Information Software. The ESRI shapefile should be named **PA0033** and have the following fields;

Field Name	Data Type	Field Value	Description
FID	Object ID	Default	Object ID automatically created by default.
Shape	Geometry	Polygon	A closed polygon representing the site boundary. The polygon should not self-intersect or overlap.
GIS_REF	Text	PA0033	The An Bord Pleanála Reference Number e.g. PA0000.
PRE_APP	Text	PC0150	The An Bord Pleanála Pre-application Consultation Reference Number e.g. PC0000.

Please note that the CD submitted will become part of the application file and should also be placed on the application website.

If you have any queries in relation to the specific mapping requirements please contact Jane Gilvarry directly on 01-8737121 or j.gilvarry@pleanala.ie ; otherwise please direct your response to the undersigned officer of the Board.

Please quote the above-mentioned An Bord Pleanála reference number in any correspondence or telephone contact with the Board.

Yours faithfully,

Kieran Doherty
Executive Officer
