Kieran,

RE: Proposed Agenda ,

- 1) Introduction by Dr Brendan O Connor of progress since the presentation of V2.2 of the Compensatory Proposal, and how we would like to progress that in the context of the Bastreri Report on V2.1 & V2.2 and minutes of the ABP / NPWS meeting
- 2) Bastreri Report
- 3) Minutes of ABP / NPWS
- 4) GHE Confirmation of how we will then proceed in light of 2) , 3) above to lodge the Phase 2 of the compensatory proposal
- 5) Programme for the process after 4) above
- 6) AOB

I trust the above programme for the meeting is to your approval as we really do require to confirm progress at the meeting and then progress the survey and formal compensatory work accordingly.

Thank you.

John.
