Hi Daniel,

I'm glad you were able to access those documents with the help of my IT colleague. If there are any queries, just drop me a line.

Regards,  
Kieran

Hi Kieran

I should be able to also include my comments on NWPS' views in my report, and complete this by the 11th September.

Now, I have some questions for you:

Would it be possible to send electronic documents, or for me to access these from your website, using a password-protected link? The reason is, I am currently in the Netherlands, so it may be days until I get the files, on return to the UK.

If you must also send hard copies, could please send them (directed to me) to my accountant's address? This is:

Tan House, 15 South End,  
Bassingbourn, Royston  
Hertfordshire, SG8 5NJ

Please let me know at your earliest convenience.

Best regards,  
Daniel

Hi Daniel,

I note your August project so I will send you a disc containing the compensatory measures today.

The National Parks and Wildlife Service, has also been asked to comment on the compensatory measures; the deadline for their comments is 26<sup>th</sup> August 2019. I would be grateful if your report would also consider the NPWS views; I will send them to you as soon as they are received.

Therefore, I would like your report by 11<sup>th</sup> September. I hope this is feasible with your other commitments.

What address would you like the disc to be sent to?

Regards,

Kieran

Hi Kieran

Good to hear from you. I am fine, and I also hope you are keeping well.

In relation to reviewing the Compensatory Measures report, I should be able to do this, on your request.

Please let me know when you need this to be done, and if possible, let me see the report asap, so I can plan my time. I am starting a new project in early August, and will be very busy then, though I have free time now.

Best regards, and to all in ABP.

Daniel
