Niamh

thanks for the email and update on the proposal.

In light of the circumstances and the need for the applicant to liaise constructively with the NPWS on matters raised, i can confirm that the Board is happy to grant an extension of time to allow the applicant to respond to our request, and i consider that a deadline of 28th February 2022 is appropriate in this context.

Let me know if you need any further information or instruction.

Many thanks

Dave

Dear Niamh,
Hope you are well.

Thank you for your continued interaction on this SID planning application.

We are in active constructive engagement with NPWS as discussed and we wish to submit the attached letter to the planning file.

We are copying Cliona O'Brien of the NPWS on the correspondence accordingly.

Copies of the attached letter have also issued to you both in the post.

We would be very grateful if you could acknowledge receipt of the attached letter given the current timeline for the response and given post etc at this time of the year.

Thank you,

Brendan
