Apologies for the delay in getting back to you.

Kind regards,

Hello Niamh and Nichola,

Thank you for the confirmation below on the extension.

We are meeting the NPWS on Monday and we will be in contact afterwards on the response timeframe.

In relation to the NPWS letter of 3 August 2021, they make reference to a number of other documents.

Given that we are being asked to respond to the NPWS letter, the applicant / team feels that we will require copies of same in order to make a full response.

There are references to the report of the Senior Planning Inspector and specialist on page 1 of their letter and to the NPWS' earlier observations (April 2020) on page 2.

There is also reference to Minister O'Brien's request of the 26th of March, 2021 to Minister Catherine Martin on page 1.

We would be very grateful if you could provide us with copies of the correspondence referred to in NPWS letter accordingly and in particular the NPWS observations of April 2020.

I am on mobile 087-6989364 if you wish to discuss.

Thank you,
Brendan
