thanks, Niamh. happy to chat on my mobile [REDACTED] as i'm working from home today.

i'm happy to grant an extension- say for another 8 weeks towards the end of April, which hopefully should give the applicant time to finalise their work, and we can always review it towards the end of April when we (and they) have a better idea of what is required.

Cheers

Dave

Hi Dave,

Please see below a further time extension request from the Applicant in relation to the Galway Harbour case.

As it stands currently a response is due by 28th February, 2022.

Can you please advise if the Board will grant the request for a time extension and how long of an extension.

The applicant has not indicated how long of an extension they require and say in their letter that they intend to advise in March of when they will be able to provide a full response.

Kind regards,
Niamh
