Good morning Liam,

Just a follow up note on the invalid submission.  
This submission was a late submission from Uisce Éireann.  
Would you like us to give them an opportunity to send in another submission?

Kind Regards,

Anna

Hiya Liam,

I've left in your tray in Inspectorate, the 21 valid submissions received on the above file, for addition to the file.

There was also an invalid submission, which was late.

I've also left a list of the 21 FI Submissions for attachment to the inside cover of the file.

**(The Submissions are also available on SharePoint in the Appellant Third Party Docs, in a folder called "FI Submissions 2025")**

Please note the case site for this file looks different on SharePoint when it is first opened, but the documents can still be accessed through the Collum on the left hand side of the screen.

Thank You,

Anna
