The submissions on this file and the Inspector's report were considered at a Board meeting held on May 10<sup>th</sup> 2023.

The Board decided to defer consideration of this case and to:

forward the additional documentation received by An Bord Pleanála from the applicant dated October 10<sup>th</sup> 2022, to the Minister for Housing, Local Government and Heritage to enable the Minister to consider the sufficiency of the compensatory measures proposed by Galway Harbour Company, and to advise the Board as to whether there are imperative reasons of over-riding public interest in this instance to enable the consideration of the proposed development to proceed.
