The submissions on this file and the Inspector's report were considered at a Board meeting held on June 17th 2019.

The Board decided to defer consideration of this case and to :

- Circulate for written comment to the NPWS - the information received from the applicant on the 29/04/19 with respect to the proposed compensatory measures (Comments in writing within a period of 8 weeks);
- Circulate the information received from the applicant on the 29/04/19 with respect to the proposed compensatory measures to Dr Bastreri, and following receipt of NPWS comments, circulate their submission to Dr Bastreri. Dr Bastreri should be asked to submit/complete his report, with associated recommendation in respect of the proposed development to the Board.
- Seek an addendum report from the lead reporting inspector, PC, having regard to (1) the Board's request for Further Information, and responses from the applicant, Board's ecologist and NPWS and (2) advise on any further consideration/steps that may be appropriate given the lapse in time since the EIS was submitted and first assessed by the Board.
