Planning Ref 61 PA.0033

To Whom it may Concern,

my name is Sally O'Brien and I am a director of our family business "Aran and Island Ferries"(a ferry service to the Aran Islands). The above planning application is vital for Galway Harbour, Galway city and county. As is well documented, tourism is the number 1 industry in Ireland and Galway is one of the most popular cities in the country. The "Volvo Ocean Race" has been to Galway twice albeit that the infrastructure and facilities in the harbour are draconian.

I hope you look favourably on this planning application as it would attract and further augment the number of tourists to the city and county, hence helping local businesses and creating employment for the community.

Yours Sincerely,

Sally O'Brien
