Dear Sir,

We refer to the Planning Application from Galway Harbour Company regarding the extension of the port.

As a major port user since 1921, we herewith welcome this Application and compliment Galway Harbour Company on their foresight.

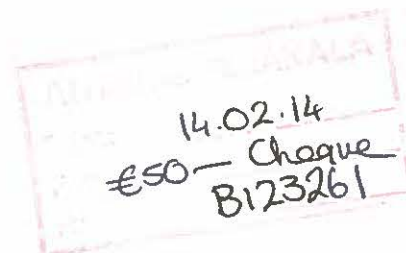

We are continually being asked by Shipowners, Shippers and Receivers to accept larger ships into the port and each time we have to inform them of the limitations of the present Port which prevent us from accepting larger ships.

A new Port in Galway will have major positive consequences for the West of Ireland in the form of increased Tourism and cheaper freight rates which will ensue from larger ships being able to berth at Galway. There will also be savings on the road infrastructure to and from the East and South Coast Ports.

We trust you will look favourably on this Application and we look forward to a new and bigger Port for Galway.

Yours faithfully

Tom McElwain  
Director/Secretary  
City of Galway Shipping Co. Ltd.

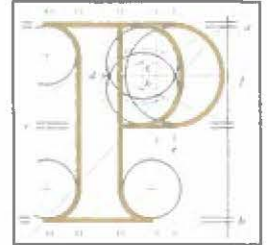

We attach herewith a cheque for €50.00.
