Dear Sir/Madam

Ref: NO 01 PA0033

Galway Harbour Extension.

I refer to the above planning application. I believe it is the wrong plan for Galway Docks/Harbour. It does very little to develop Galway as a waterfront city & will represent a missed opportunity if permission is granted to go ahead in its present format.

I would also wish to question whether permission should be granted to a company that have illegally occupied and released State Land - Schedule 3 Land Ownership drawing showing 'GHC Foreshore occupied part leased to others 8.02 ha'.

Yours sincerely

Billy O'Neill
