A Cara,

I am a paid-up member of the An Taisce branch in Galway. I am also an elected member of their Planning branch for this area for some years past.

I would like to state that the plans for the extension of Galway Port were never submitted to the Galway Planning branch during the past three years. Such plans may have been available to those in charge of An Taisce in Galway, but were not made available to the Planning Board as a whole for their consideration.

I can furnish two further names of paid and elected members of the Planning body who will confirm my statement..

The knowledge I have of this project has been gleaned from one presentation by the Harbour Board of their proposed plans and numerous newspaper articles.

I would like to express my full support for the Harbour Board on their planning application for the extension of Galway Port.

I attach cheque for €50 as is customary.

Mise le meas,

Colm Powell Be. Ceng M.I.E.
