**Re: Galway Harbour Extension.**

Dear Kieran,

Given that the final date for response by the Galway Harbour Company to your request for further information on possible Compensatory Measures is well past its - 24<sup>th</sup> November 2015 deadline. I am to enquire if there is any news yet of further information being made available on the question of possible public involvement prior to any final decision being taken? Or indeed any estimate for final decision date?

I am also to apologise for the fact that, due to family commitment, I was not able to attend on the final day of the oral hearing. So missed the opportunity to thank yourself and Paul for the courtesy extended to all of us that attended and gave submissions at the hearing in January.

Many thanks for all your help in these matters.

Yours sincerely
