Niamh,

I just wanted to thank for Board for granting the extension; we are making good progress on the identification of the measures and the additional time is most helpful.

We will be in touch with the Board separately on a couple of matters that we raised in our last letter to you, that we would welcome some clarification from the Board on, rather than from the applicant.

That letter may not issue til the New Year, but will be as soon as feasible.

Kind regards

Cliona
