Ref. No. 313220 Old Dundrum S. Centre

We, ADRIAN AND GERALDINE FOGARTY, owners and occupiers of the above address wish to <sup>make</sup> our objections and observations regarding the proposed development at the Old Dundrum Shopping Centre as per the above reference.

- (1) The number of apartments, their height, density and scale is out of proportion with the proposed site.
- (2) The scale, elevation and bulk of the apartments would completely dominate existing properties and commercial premises in the centre of historic Dundrum.
- (3) Current traffic volumes are at their maximum in all directions adjacent to the development.

(4) The development reminds one of the Ballymun flats and its potential effect on the Dundrum area.

(5) Bus service at Dundrum during peak hours is presently at maximum capacity.

I enclose a cheque for €20 in support of my submission.
