

59 Woodlawn park

Churchtown, D14

Ref:313200

Dear Sir/Madam,

in reference to the proposed development in Dundrum village, I wish to submit an objection.

The proposed development is between 5-16 storeys high with 5 story height on the main street in dundrum where the current highest buildings are 2 storeys high. Our main street is unique and historic and any development of this size would dwarf the existing streetscape and be totally out of step of the existing village.

There are no provisions in the plans for civic and community facilities or spaces which are vital to those who come to live in the village and removed any possibility for a civic and social space in the centre of Dundrum village.

The overall height of the proposed development (16 storeys) will be hugely overbearing and completely out of keeping with the surroundings.

I hope you will consider mine and others concerns about this new development,

Yours sincerely,

Angela Norris
