(See part 6 – Supporting materials for more information.)

- The scale of the proposal is not sympathetic to the existing heritage of the village
- The height of the buildings will dwarf the nature of the village
- The proposed demolition of the Historic buildings is not consistent with the Development plan
- The community aspect is a nod to a village and will not provide adequate commercial opportunities for local services such as farmers markets, community recreational spaces, grocers. Butchers etc
- One side of the village will always be in darkness, deprived of any natural light
- The area is currently choked with traffic, the bypass is unable to cater for the current traffic, the addition of the proposed residential complexes have not been supported by local road networks
- I have lived in Dundrum for 35 years. I welcome the development of the village, in a meaningful way. These residential units will not address the local need for housing given that they will mostly be build to rent schemes as was the case with the Notre Dame scheme.
- This proposal not encourage me to take a right hand turn as a pedestrian into the village to meet neighbours.
- It will see the life ebb out of the village rather than encourage life in the village into the future.
