### 5. Grounds

Please describe the grounds of your observation (planning reasons and arguments). You can type or write them in the space below. There is **no word** limit as the box expands to fit what you write. You can also insert photographs or images in this box.

(See part 6 – Supporting materials for more information.)

My observations include the overwhelming height scale and bulk of this development of this in Dundrum Village . I recognise the need for residential/office/retail development on this site however 881 Apartments in 11 blocks gross floor area of 88442sq meters and rising to 16 storeys are not sensitive to the original streetscape or in keeping with the character of the area. This will have a negative impact on the area for years to come and I am 25 years living in this area. It is so large from every viewpoint tin and around Dundrum and must be scaled back to levels that meet the character of the area and should be developed to meet the objectives in the Dun Laoghaire Rathdown County Council - Local area plan for Dundrum.
