Dear Sir / Madam,

I am writing to express my objections to the proposed Hammerson - Arklow plans for the Old Dundrum Shopping Centre Main Street Dundrum Dublin 14.

Some specific concerns are:

- a) The height of buildings planned along Main Street
- b) Demolishing the historic buildings.
- c) The overall height and density of the planned development, one rising to 16 storeys.
- d) No civic square or plaza at the heart of the village.

(e) The increased traffic to Dundrum and surrounding area.

Regards  
CHRISTINE M'CARNEY
