Development :SHD Old Dundrum Shopping Centre, Main Street, Dundrum.

Dear Sir/ Madam,

I wish to outline my objection to the development proposed above for the Old Dundrum Shopping Centre. I feel that it will further stretch public transport links in the area and add to the congestion at the Luas bridge in particular.

We need residential units on the site but not to the scale and number that is currently proposed.

I would also ask that you are mindful of the local businesses that will be deleteriously affected by this in that public parking in and around Main Street is to be drastically reduced thus potentially forcing some of the businesses that are currently trading to sadly close.

The vibrancy of the local community depends on your decision and I urge you to reject the proposal.

Yours Sincerely,

David Reynolds

David Reynolds.
