Please describe the grounds of your observation (planning reasons and arguments). You can type or write them in the space below. There is **no word** limit as the box expands to fit what you write. You can also insert photographs or images in this box.

(See part 6 – Supporting materials for more information.)

In my opinion the proposed application should not be granted for the following reasons

1. Mix of housing to retail ratio is not compliant with zoning.
2. Loss of easement of daylight to all surrounding dwellings due to the inappropriate scale of the buildings.
3. Housing density is far above what the existing infrastructure in the village will absorb.
4. Loss of privacy to all existing dwellings as will be overlooked in both front and rear of existing dwellings.
5. No clear determination on build to rent or build to own status.
6. Insufficient parking included.
7. Current Luas structure is overloaded at peak times so this will add to peak loads on insufficient public transport. There are no plans to expand this.
8. No guarantee that the development will be completed by the developer in the allotted timescale and therefore Dundrum could be left with an eyesore such as the sentinel building in Sandyford.
9. Cost of social housing element is far too high & does not represent value for money to the taxpayer.
10. Insufficient quantity of 3 bedroom apartments to facilitate family living.
