Old Dundrum Shopping Centre

Main Street, Dundrum

Reference Number 313220

The planned gigantic development of eleven apartment blocks would completely overshadow Dundrum village, making it a claustrophobic, depressing environment for both old and new residents. It is totally out of character with the existing buildings. It would also involve the destruction of some of these buildings which contribute to the character of Dundrum village.

This plan makes little or no provision for civic spaces or facilities essential to a living, viable community as required by the Major Town Centre zoning on the site.
