The size and height of the proposed building is not in keeping with the rest of the buildings in the local area. I would be concerned for the historic buildings on the main street also, these need to be protected for the character of the village. I would be concerned the height of the proposed building would have a detrimental impact on the natural light in the surrounding areas close to the village.

The overall height and density of the planned development. The plans for this small site are for 11 apartment blocks, some of 5 storeys on Main Street West, others between 8 and 12 storeys, and one rising to 16 storeys at the northern end opposite Sweetmount Park. Together this development will be hugely overbearing and out of keeping with the surrounding low-rise and low-density suburban environment.
