(See part 6 – Supporting materials for more information.)

I would like to object to this planning application which is proposed to be built at the end of my road. The design is uninspiring, the 16 floor building is excessively high and the scale of the development is oppressive. The public space included in the plans is at the wrong end of the development and does not open up the main street and provide liveable public space where the local community can avail of it. The design and plans for this development are in material contravention of the zoning for this site which is zoned for mixed use whereas this proposed development is 95% residential. It is also not in keeping with the recently published Dundrum Local Area Plan. As a local resident this would have a highly negative impact on the surrounding environment and I would urge you to refuse the planning application as it stands.

Kind regards,

Jane Creaner-Glen
