5. Grounds

Please describe the grounds of your observation (planning reasons and arguments). You can type or write them in the space below. There is **no word** limit as the box expands to fit what you write. You can also insert photographs or images in this box.

(See part 6 – Supporting materials for more information.)

I would like to state that I am not against redevelopment of the Old Dundrum but I am against the proposed application for 881 apartments on the site for the following reasons.

Reason 1: It states in the County Development that this site is classed as a Major Town Centre development, but with the proposal being 95% residential, how can it be classed as a Major Town Centre Development?

Reason 2:

The density and the height of the development is not in keeping with the overall architectural conservation of the village.

Reason 3:

The plan to demolish historic buildings along the main street is wrong as they are included in the 2022-28 plan as Architectural Conservation Area.

Reason 4:

There is very little community or civic space in the plans which will be so important for those living in whatever residential is built.

I have lived in Dundrum all my life and the thoughts of the beautiful village atmosphere being swapped out for a massive development like this is heart breaking!
