

I was born in 1961 and grew up on Sweetmount Avenue. Dundrum is my community and village. Many of my family and friends live locally. There have been many changes in our area in my lifetime some good and some bad. I reject this proposed development as it is completely out of keeping with the scale and streetscape of our village. We need a community area that brings local people together, not a vertical sprawl up to 16 stories of apartment blocks squeezed into a suburban environment.
