Observation details

5. Grounds

Please describe the grounds of your observation (planning reasons and arguments). You can type or write them in the space below. There is **no word** limit as the box expands to fit what you write.

You can also insert photographs or images in this box. (See part 6 – Supporting materials for more information).

I would like to make an observation regarding this proposed development. Dundrum is a small village and I feel that an application of 11 blocks ranging from 5 to 16 stories high will destroy the look of our beautiful village. The Church and the library are two beautiful buildings which will be overlooked by this awful structure that is proposed. This would also cause a huge impact notably on traffic/parking in the area.

“This development contravenes the current Dun Laoghaire Rathdown County Development Plan”

Supporting materials

6. If you wish, you can include supporting materials with your observation.

Supporting materials include:

- photographs,
- plans,
- surveys,
- drawings,
- digital videos or DVDs,
- technical guidance, or
- other supporting materials.

You can insert photographs and similar items in your observation details: grounds (part 5 of this form).

If your supporting materials are physical objects, you must send them together with your observation by post or deliver it in person to our office. You cannot use the online uploader facility.
