(See part 6 – Supporting materials for more information.)

Observation1: with this planned development and others, the amount of traffic that can be anticipated on the surrounding roads will significantly increase. It is not clear what if any traffic management and road upgrades will take place to alleviate such increases, and whether any detailed modelling of congestion has taken place to inform the plans

Observation 2: there appears to be no maintaining of 'community' space such as community gathering areas, shops and amenities etc currently provided in Old Dundrum. To maintain a community feel, diverse occupancy of business and retail on the ground floor of the development would be a welcome amendment.
