## Strategic Housing Development

### Application Form

#### **Before you fill out this form**

Please note that failure to complete this form or attach the necessary documentation, or the submission of incorrect information or omission of required information, will lead to An Bord Pleanála refusing to deal with your application. Therefore, ensure that each section of this request form is fully completed and signed, entering n/a (not applicable) where appropriate, and that all necessary documentation is attached to the application form. You are advised to refer to the “General Guidance Note” provided on pages 27 to 29 prior to completing this form.

#### **Other Statutory Codes**

An applicant will not be entitled solely by reason of a planning permission to carry out the development. The applicant may need other statutory consents, depending on the type of development. For example, all new buildings, extensions and alterations to, and certain changes of use of existing buildings must comply with building regulations, which set out basic design and construction requirements

## **Data Protection**

It is the responsibility of persons or entities wishing to use any personal data on a planning application form for direct marketing purposes to be satisfied that they may do so legitimately under the requirements of the Data Protection Acts 1988 and 2003. The Office of the Data Protection Commissioner state that the sending of marketing material to individuals without consent may result in action by the Data Protection Commissioner against the sender, including prosecution.

The duplex over apartment units are 3 storeys in height, the proposed apartment Blocks A, B, C, E, F, and G are 4 storeys in height, and Block D is 3 storeys. Blocks A, B and F accommodate underground car parking. The proposed 2 storey childcare facility of 677 sqm has an outdoor play area of 660 sqm and is located near the main entrance to the site. A total of 824 no. car parking spaces and 512 no. bicycle spaces are proposed. The scheme incorporates 3.1 ha landscaped public open space on zoned amenity lands and 1.4 ha of additional open space in the form of pocket parks. Works to the Blackrock Road (R172) comprise the provision of a new junction to access the site and adjoining zoned lands and works to an existing storm water culvert. At the entrance to the site it is proposed to undertake the following works: remove the existing boundary wall and replace it with a low stone finished wall; provide a right turning lane from the R172 into the proposed access road; raise the level of a 158 metre segment of the roadway by an average of 395 mm and reconstruct the public footpaths to match; provide a raised pedestrian crossing across the access road; and to provide a recessed bus stop. The proposed access road has a carriageway width of 6 metres and incorporates a traffic calming narrowed area, grass verges, and off-road cycle path and footpath on the northern side. In total, 4 no. potential future vehicular access points are provided to adjoining residential zoned lands. At the northeast of the site it is proposed to provide a surface water pipe along part of the Blackrock Road to an existing open channel, and to install a box culvert over part of this channel with a new headwall and riprap apron. The proposed storm water drainage system comprises 4 no. networks with interception storage and treatment of runoff within the SuDS features via. permeable paving, swales, filter drains, silt traps and oil separators, a storm water infiltration basin and 2 no. culverts to be located along existing drainage channels. The proposed foul water infrastructure includes the provision of a foul sewerage pumping station. The potable water infrastructure includes the provision of a new District Metered Area (DMA) watermain that will extend across the site. The site is served by a proposed hierarchy of roadways with footpaths. This application is accompanied by an Environmental Impact Assessment Report (EIAR) and a Natura Impact Statement (NIS).
