

**Location:**  
Viewpoint Elevation: 73m AOD (Malin Head)  
Distance to Site: 1750m  
Horizontal Angle of View: 90 Degrees

**Viewpoint 2 Southeast from R160.**  
View Southeast from the R160 approximately 1.7km from the subject site. From this open section of regional road the temporary overburden tip is partially visible. The proposed extraction area would not be visible due to a combination of intervening vegetation, topography and distance.
