

Location:
Viewpoint Elevation: 73m AOD (Malin Head)
Distance to Site: 850m
Horizontal Angle of View: 90 Degrees

Viewpoint 3 South from L80141.
View South from minor road L80141 less than 1km from the subject site. From this open section of road the existing temporary overburden is clearly visible, however areas of proposed extraction would not be visible due to a combination of intervening vegetation, buildings and topography.
