Name : Kathleen O'Connor

Address: Clonshiremore, Croagh, Co. Limerick

Date: Jan 2020

I object to the Foynes to Limerick Road (including the Adare Bypass) for the following reasons:

1. It will have a devastating effect on my family as the motorway will prevent me from ever applying for planning permission to build a house therein.
2. It will be impossible for me to build a house on the site my father has given me as the motorway is being built next to it. This site was in my family's farm and adjacent to my family home where my mother and brother still reside.
It was my intention to return there or my family members, to erect a house therein so as to be close to my elderly parent and adjoining my sister and brother who live next door.
3. The proposed development of this roadway with all the consequences following on such as noise, visual impairment and inevitable pollution will render my site as unusable.

Yours sincerely,

Kathleen O'Connor
