

Topic Chapter:The EIAR Process including Scoping

Figure CE 2.1

Other Projects or Activities Scoped in for Cumulative Evaluation in the Environmental Factor topic chapters

Map Number:
Map 1 of 1

Legend:

Subject Development:

—

 UWF Grid Connection - 110kV UGC

—

 UWF Grid Connection - Mountphilips Substation Site

Other Elements of the Whole UWF Project:

—

 UWF Related Works

—

 Upperchurch Windfarm

—

 UWF Replacement Forestry

UWF Other Activities

●

 Haul Route Activities

—

 UWF Hen Harrier Scheme

—

 Overhead Line Activities

Other Projects or Activities Scoped In:

1

 — Killonan to Nenagh 110kV Overhead Line

2

 — Shannonbridge to Killonan 220kV Overhead Line

3

 —●— Potential Bunkimalta Windfarm and Consented Grid Connection

4

 —●— Consented Castlewaller Windfarm and Potential Grid Connection

5

 ● Existing Milestone Windfarm

10

 Existing Rear Cross Quarry

11

 Existing Foilnaman Mast

12

 Existing Cummermore Communications Pole

21

 ★ Consented Newport Town Park

25

 Turf - Cutting (On-Going)
