POCKET TOGETHER PLAY AREA WITH COLOURFUL SHED SUPER-KING

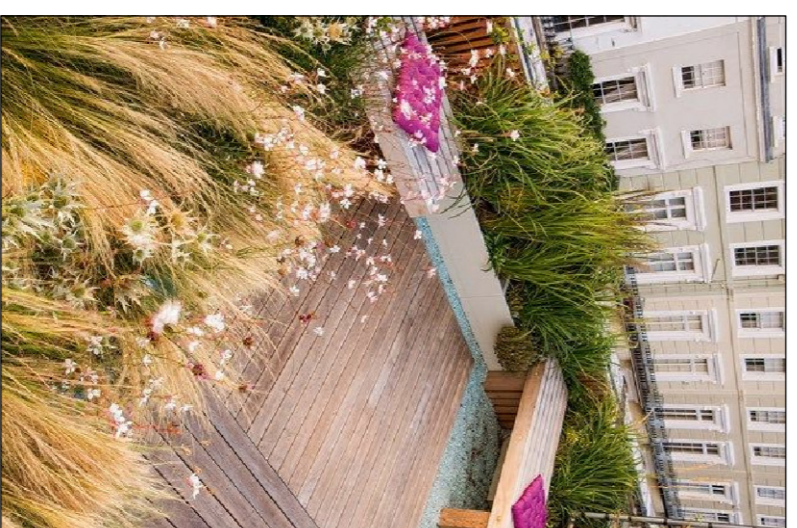

GROUP SEEWAY: KOMPAN 'The Blazer'
PLAY VALUE: The vibrant shapes and colors of the Blazer evoke children's curiosity; they want to try it out. The vibrant colors are consciously chosen to support beginning rules understanding of the 3+ year olds; they can choose their color. The springs make it possible to swing and play on it in various manners, too. The platform in the middle supports sitting and standing, kneeling or in various manners, too. The platform in the middle supports sitting and Blazer, especially when standing on the middle platform, trains the child's sense of space and balance. These are crucial as a basis of navigating the world securely. Good mastery of space is a foundation for social interaction and being able to stand on a platform. The Blazer is a fun, playful way to do that.
