Application by Waterford City and County Council, in partnership with Waterford Regional Airport PLC, for approval for the development of an extension to, and widening of, the existing runway at Waterford Regional Airport along with associated works including widening of the taxiway, extension to the car parking area, re-alignment of security fencing, new navigation lighting, underground holding tank, demolition of two existing houses to the north of the runway and alterations to site drainage.

Notice in accordance with section 175(4)(b) of the Planning and Development Act 2000, as amended

Minister,

Notice is hereby given in accordance with the provisions of section 175(4)(b) of the Planning and Development Act 2000, as amended, of an application to An Bord Pleanála by Waterford City and County Council, in partnership with Waterford Regional Airport PLC, for approval for the development of an extension to, and widening of, the existing runway at Waterford Regional Airport along with associated works including widening of the taxiway, extension to the car parking area, re-alignment of security fencing, new navigation lighting, underground holding tank, demolition of two existing houses to the north of the runway and alterations to site drainage.

Waterford City and County Council carried out screening of the proposed development to assess the likely effects of the project, either alone or in combination with other projects, upon designated Natura 2000 sites in the vicinity (Stage 1 – AA Screening). This screening exercise concluded that a Stage 2 Appropriate Assessment would be required in this instance and this application is therefore accompanied by a Natura Impact Statement (NIS). In addition, an Environmental Impact Assessment Report (EIAR) has been prepared in respect of the proposed development.

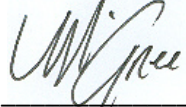

Application documentation, the EIAR and the Natural Impact Statement may be viewed online or downloaded from the following website www.waterfordcouncil.ie and electronic copies of those documents are included with this notice.

Please note that you may make written submissions or observations to An Bord Pleanála in relation to:

- (i) the likely effects on the environment of the proposed development, and
- (ii) the implications of the proposed development for proper planning and sustainable development in the area concerned,
if carried out

and that all such submissions must be received by An Bord Pleanála not later than 17:30hrs on 24th August 2020.

Yours sincerely
