Re: Proposed Strategic Housing Development (SHD) Planning Application by Castlethorn Construction UC on lands at Cooksland and Knocks, Dunshaughlin, Co. Meath.

Dear Sir or Madam,

I write on behalf of the Louth and Meath Education and Training Board, the owners of the Dunshaughlin Community College lands, which adjoin to the east of the proposed Castlethorn residential development lands, to confirm that we have met the Applicant with respect to their proposals including a potential future footpath/cyclepath extending east along the northern side of the Skane River across the community college lands to connect with College Park and Dunshaughlin Town Park further east.

I can confirm without prejudice that we are positively disposed to this proposal in principle and that I am bringing this proposal for discussion and due consideration at our next Board of Management Meeting scheduled for the end of November 2020.

Yours faithfully,

Martin O'Brien
Chief Executive
Louth and Meath Education and Training Board
