Re: Strategic Housing Development Application Submitted to An Bord Pleanála in respect of a Residential Development at Trusky East, Trusky West, Freeport and Ahaglugger, Bearna, Co. Galway

Dear Sirs,

We are instructed by our client Burkeway Homes Limited to submit an application to An Bord Pleanála under the Planning and Development Act 2000 (as amended by the Residential Tenancies Act 2016). This application is made pursuant to a Notice of Pre- Application Consultation Opinion issued by the Board on 19th March 2020 (Case reference ABP-306443-20).

Project Website

A dedicated project website has been set up by the applicant, containing links to the above-mentioned documentation and drawings. The website can be viewed at: www.burkewaybearnashd.com

This application is accompanied by 2 no. hard copies of the application documentation and drawings together with 3 no. copies of the documentation in a machine-readable form on digital devices as required under article 297(5) of the Planning and Development (Strategic Housing Development) Regulations 2017.

Project Overview

The application site has previously been the subject of 2 no. Strategic Housing Development Applications. The first application (ABP-300009-17) was refused on grounds of insufficient density. The second application (ABP-302216-18), for a 197 no. unit Strategic Housing Development, which satisfactorily addressed the issue of density, was granted by An Bord Pleanála, however the decision of An Bord Pleanála was quashed by Order of the High Court in Heather Hill Management Company CLG Anor. v An Bord Pleanála (2019 No.20 J.R.),

The proposed development addresses the density issue upon which the first application was refused and also addresses the issues identified in the High Court in Heather Hill Management Company CLG Anor. v An Bord Pleanála .

The application site is primarily located within ‘R’ – Residential (Phase 1) and ‘OS’ Open Space/Recreation & Amenity zoned lands.

The proposed development will assist Galway County Council in meeting its commitment to provide for residential development and for associated support development, which will ensure the protection of existing residential amenity and will contribute to sustainable residential neighbourhoods.

In summary, it is submitted that the proposed development results in a development which accords fully with the proper planning and development of the area while providing an attractive, high quality, contemporary development which enhances the development of the area.

EIAR

In relation to Environmental Impact Assessment, the proposed development is “sub-threshold” development, as it is below the 500-unit, and 10-hectare, thresholds prescribed respectively in paragraphs 10(b)(i) and 10(b)(iv) of Part 2 of Schedule 5 to the Planning and Development Regulations, 2001, as amended (“the 2001 Regulations”). However, in accordance with the provisions of section 172 of the Planning and Development Act 2000, an EIA is required where sub-threshold development is likely to have significant effects on the environment.

Having carefully considered the potential impacts on the environment, the applicant and its consultants came to the conclusion, adopting a precautionary approach, that there may be likely significant effects arising from the proposed development which should be subject to Environmental Impact Assessment.

In these circumstances, as opposed to requesting a screening determination pursuant to the provisions of section 7(1)(a)(i)(I) of the Planning and Development (Housing) and Residential Tenancies Act 2016 (“the 2016 Act”), the applicant and its consultants concluded that the better approach was to prepare and submit an Environmental Impact Assessment Report [EIAR] with the planning application so that the Board, as competent authority, can carry out an EIA in respect of the proposed development. In particular, given the nature of the provisions of the 2016 Act, and Part 23 of the 2001 Regulations, in the event that an EIAR was not submitted with the application and in the further event that, having considered the matter, the Board determined that an EIA is required, then the Board would be required to refuse permission, pursuant to article 299B of the 2001 Regulations. It was considered appropriate, adopting a precautionary approach, to submit an EIAR with the within application, as to enable the Board to conduct an EIA.

Finally in this respect, it is noted that, pursuant to the provisions of article 299A of the Planning and Development Regulations 2001, in circumstances where – as in this instance – an EIAR is submitted with the within application and where a request for a screening determination under section 7(1)(a)(i)(I) of the 2016 Act was not made, the application shall be dealt with as if the EIAR had been submitted in accordance with subsection 172(1) of the Planning and Development Act 2000.

EIA Portal

As the project requires an Environmental Impact Assessment Report (EIAR) the application documentation includes a copy of the EIAR Portal Notice (see Appendix 1 of this cover letter). The correspondence issued confirms the EIA portal ID number for the project (2020168) and that the details have been uploaded onto the Department’s portal.

Document Schedule

A. Application Documentation & Planning Reports

1. Cover Letters (EIA Portal Registration)
 - An Bord Pleanála
 - Galway County Council
2. Prescribed Bodies Letters
 - Department of Culture Heritage and the Gaeltacht
 - Heritage Council Letter
 - An Taisce Letter
 - Udaras na gaeltachta
 - Inland Fisheries Ireland
 - Irish Water
 - National Transport Authority
 - Galway County Childcare Committee
3. Application Form
 - English
 - Irish
4. Statutory Notices
 - Newspaper Notice English/Irish
 - Site Notice Irish
 - Site Notice English
4. Letter of Consent
 - Galway County Council
 - Burkeway Homes Limited
6. Statement of Response Report
7. Planning Report and Statement of Consistency
8. Statement of Material Contravention
9. Linguistic Impact Statement

C. Environmental Impact Assessment Report

1. Volume 1 Environmental Impact Assessment Report:
 - Cover Table of Contents & Non-Technical Summary
 - Chapter 1: Introduction
 - Chapter 2: Background to the Proposed Development
 - Chapter 3: Reasonable Alternatives
 - Chapter 4 Description of the Proposed Development
 - Chapter 5: Population and Human Health
 - Chapter 6: Biodiversity
 - Chapter 7: Land, Soil and Geology
 - Chapter 8: Hydrology and Hydrogeology
 - Chapter 9: Air and Climate
 - Chapter 10: Noise and Vibration
 - Chapter 11: Landscape and Visual Impact
 - Chapter 12: Cultural Heritage
 - Chapter 13: Material Assets
 - Chapter 14: Interactions of the Foregoing

- Chapter 15: Cumulative Effects
 - Chapter 16: Schedule of Mitigation
 - References
2. Volume 2 Photomontage Booklet
 3. Volume 3 Technical Appendices including the following technical appendices:
 - Cover & Table of Contents
 - 2-2 Scoping Responses
 - 4-1 Detailed Design Drawings
 - 4-2 Construction and Environmental Management Plan
 - 4-3 Engineering Services Report
 - 4-4 Design Stage Traffic Management Plan
 - 4-5 Landscape Masterplan
 - 6-1 CV's
 - 6-2 DAU Submission on Previous Application (Nature Conservation)
 - 6-3 Assimilative Capacity Modelling Study
 - 6-4 Letter from Irish Water
 - 8-1 Water Quality Test Results
 - 9-1 Energy Statement Report
 - 10-1 Baseline Survey Data
 - 12-1 DAU Submission on Previous Application (Archaeology)
 - 12-2 Linguistic Impact Statement
 - 13-1 Trics Assessment
 - 13-2 Traffic Turning Movement
 - 13-3 Access Junction PICADY Results
 - 13-4 Thornberry Road Junction PICADY Results
 - 13-5 Bearna Road Junction LINSIG Results
 - 13-6 Utility Report

D. Technical Reports

1. Architectural Reports
 - a. Architectural Design Statement
 - b. Building Lifecycle Report
 - c. Housing Quality Assessment
2. Landscape Reports
 - a. Landscape Report
3. Engineering Reports
 - a. Engineering Services Report
 - b. Site Specific Flood Risk Assessment
 - c. Trusky East Stream Flood Study
 - d. DMURS Compliance Note
 - e. Technical Note L1321 Footpath Works
 - f. Traffic and Transport Assessment
 - g. Stage 1 & 2 Road Safety Audit

4. Engineering (Services) Reports
 - a. Overshadowing Analysis Report
 - b. Daylight Report
 - c. Utility Report
 - d. Energy Statement

5. Natura Impact Statement
 - a. Natura Impact Statement
 - b. Appropriate Assessment Screening Report

Drawings and Drawing Schedules

The following hard copies of drawings are enclosed:

- Architectural Drawing Schedule (McCauley Daye O'Connell Architects) attached in **Appendix 2** of this cover letter;
- Engineering Drawing Schedule (O'Connor Sutton Cronin Engineers) attached in **Appendix 3** of this cover letter;
- Engineering (Services – Public Lighting) Drawing Schedule (Varming Consulting Engineers Ltd.) attached in **Appendix 4** of this cover letter; and
- Landscape Drawing Schedule (Radharc Landscaping Co Ltd.) attached in **Appendix 5** of this cover letter.

CD Copies

- Copy of all documentation on CD (3 no. copies)
- Red Line Boundary enclosed as CAD file on enclosed CD (1 no. copy)

We trust that this SHD Application is to the satisfaction of the Board. Please contact the undersigned if you require any further details.

Yours Faithfully,

Colm Ryan

Subject: 190450 - Burkeway Bearna - EIA Portal Notification

Hi Morgan,

Please treat this email as formal notification of our intention to submit a strategic housing development application for a development in the townlands of Trusky East, Trusky West, Freeport and Ahaglugger, Bearna, Co. Galway. The application will be accompanied by an Environmental Impact Assessment Report (EIAR).

Please find attached the following details for inclusion on the EIA Portal;

- Completed application form;
- Searchable electronic copy of the proposed newspaper notice; (English and Irish)
- Searchable copy of site location map

As the site is located within the Gaeltacht we are advertising in both English and Irish and have included both notices for your information.

If you require any further details, please do not hesitate to contact me.

Kind regards,
Ciara
